Dear Parent:

The following is a list of licensed and certified child care providers located in Coshocton County that are contracted through our agency. The Coshocton County Department of Job and Family Services does not make provider recommendations. You are responsible for contacting and selecting a provider that can best meet your needs. We encourage you to consider hours, location, type of care, daily activities, back-up plans, etc. when making your choice. Also, you should contact more than one provider and arrange to visit, observe, and ask questions in order to make an informed decision. Please call our office to discuss any concerns. Rev.9/8/08
